Message from Darlene Dickens
Yearbook Advisor 2002

The yearbook this year has been one of love for the class of 2002. I have watched this class as they have grown from timid freshmen to mature seniors.

It is hard to say good-bye to such a great group, but the time is near. I wish them well and much success in the years to come. They have been a very special class at Southeast High School.

I extend sincere thanks to all of those that have helped me with the yearbook this year. Without the help of students, faculty and staff supporting our financial efforts the yearbook would not have been possible.

Thanks again and good luck to the Class of 2002!
